
Charles Schwab PCRA Self-Directed Brokerage Account

What is PCRA?

The Schwab Personal Choice Retirement Account® (PCRA) is a self-directed brokerage account offered through Charles Schwab & Co., Inc. (Member SIPC) that, depending on your Plan, may allow you to select from numerous mutual funds, exchange-traded funds (ETFs), and other types of securities, such as stocks and bonds for an additional fee or fees. These securities are not offered through GWFS Equities, Inc.

For whom is this investment option appropriate?

The Schwab PCRA is for *knowledgeable investors* who acknowledge and understand the risks associated with many of the investments choices available through PCRA. PCRA is designed for individuals who seek more flexibility, increased diversification and a greater role in managing their retirement savings.

By utilizing the PCRA, you acknowledge that *none* of the available options in the PCRA have been reviewed for suitability by your employer, Plan sponsor or Empower Retirement, your service provider. *You are solely responsible* for determining suitability of the options that are available through PCRA. You agree to fully indemnify and hold harmless your employer, Plan sponsor and Empower Retirement, and any and all service providers to the Plan, against any claims, damages, or other possible causes of actions resulting from your use of the PCRA.

How do I get started?

This is a Web-based feature only. You can open an account by logging on to your Plan's Web site and clicking on the "Investments" tile at the top of the page. You will then need to select "Self-Directed Accounts" link and click on the "Enroll" button. Complete the enrollment process online.¹ During the enrollment process, you will immediately receive your Schwab PCRA account number. Follow the instructions to web activate your account. Immediately following this step, you will be able to initiate your first transfer into the PCRA. Schwab will send you a Welcome Kit. You can also view the PCRA "how-to" video with step by step instructions on how to research, trade and monitor your investments at www.schwab.com/pcrahowto.

If your plan allows for Roth money, you may open a separate Roth PCRA account. This will allow you to track your Roth investments and earnings separately from your regular PCRA account.

If you are not already enrolled in your Plan, complete your Plans' enrollment form. All agreement forms must be completed and signed. Once your account is processed, you

will receive a Personal Identification Number (PIN) which is needed to open a PCRA.²

How do I fund my self-directed account?

If your Plan allows, you may contribute directly to your PCRA. To initiate transfers into the self-directed cash sweep feature at Schwab, go to your Plan's Web site.¹ Transfers must be made into the cash sweep feature at Schwab first. Then, through Schwab, you can purchase other investments. Also, when moving money back to your Plan's core options through Empower Retirement, Schwab assets must be liquidated and settled to the cash sweep feature first, then moved to the core options.

Transfers into the Schwab PCRA will be subject to minimum transfer restrictions. If your transfer request does not meet the minimum amount, your transfer will not be completed. You may also be required to maintain a minimum balance in the Plan's core options. Please check with your Plan for its minimum requirements.

If you transfer more than one contribution type to the SDB, earnings (or losses) that accrue in the SDB will be allocated proportionately to each contribution type. When an amount is transferred back from the SDB, earnings (or losses) that accrued in the SDB will be allocated proportionately into the core investment options based upon the contribution types in the SDB prior to the returning transfer, regardless of whether such earnings (or losses) are attributable to investments in the SDB that were purchased with amounts originally transferred to the SDB from such contribution type. This may include a contribution type subject to a vesting schedule under the Plan, if applicable, if assets from that contribution type were invested in the SDB.

What kind of access will I have to funds in PCRA?

When you transfer money from your core funds into the Schwab PCRA, the money will be automatically allocated to the Schwab cash sweep feature Fund within approximately two business days. Once you see the transferred money in your Schwab cash sweep feature, you may then purchase securities in your PCRA.

What cash options are available in PCRA?³

The cash feature is not intended to be a long-term investment. If you desire to maintain cash balances for other than a short-term period and/or are seeking the highest yields currently available in the market, you can use alternative cash investment options, such as Schwab purchased money market funds and Certificates of Deposit (CDs) from Schwab CD OneSource®. These options are available outside of the Cash Features Program to help

maximize your return potential, consistent with your investment objectives and risk tolerance. For additional information, contact your Schwab representative or visit www.schwab.com/cash after you log in to your account.

How do I manage and/or make changes to my self-directed account?

Place trades and manage your account through www.schwab.com and mobile applications, use Schwab's touch tone telephone service, Telebroker[®], or voice activated telephone service, Schwab by Phone[™] at (888) 393-7272 or call the dedicated PCRA Call Center at (888) 393-7272 to inquire about your daily account balance or change your investments in the PCRA.

How do I transfer money from PCRA back to my Plan's core funds?

Visit the Schwab Web site at www.schwab.com, use Telebroker[®] or Schwab by Phone[™] at (888) 393-7272 to transfer money from the Schwab PCRA to your core funds. You will need to:

1. Instruct Schwab to liquidate the securities and/or mutual funds in your PCRA.
2. Wait for the proceeds to settle and be invested in your Schwab cash sweep feature .
3. Then use the Plan's Web site or toll-free number to transfer the cash from your Schwabcash sweep feature to your core account.

Direct distributions from your PCRA are not permitted.

- Partial transfers from your Schwab cash sweep feature will be allocated to the core fund you have indicated within approximately two business days.
- For full liquidation of your Schwab cash sweep feature , use the "Transfer All" button on your Plan's Web site. Money transferred into a core fund will be allocated to the fund you have indicated within approximately four business days. Additional time is needed for this transaction in order to transfer any accrued interest or dividends.

What do I do if I want to make a withdrawal?

If you are requesting a payout option, you must transfer cash from your Schwab PCRA back to your Plan's core options. If you transfer 100% from your Schwab PCRA back to your Plan's core options and no balance remains invested in the Schwab PCRA, residual dividends will automatically sweep back to the core options that were used in your last full transfer request.

If additional money is deposited into the Schwab PCRA at a later date (either via a new transfer request or payroll contribution, as applicable), the residual sweep process will discontinue.

If you have requested a voluntary payout but have insufficient money in your Plan's core options, the request will be cancelled. If the payout is due to a required distribution, such as a required minimum distribution, and you have insufficient money in your Plan's core options, your PCRA may be liquidated and the account closed. You will be responsible for any losses or expenses associated with the liquidation.

If you are requesting a disbursement or loan (if available in your Plan), you must transfer sufficient funds to process your request. If you do not have sufficient funds in your core funds at the time you submit your distribution request, your request will be processed to the extent possible from the core funds. However, this could result in a smaller payout than requested. Or, if your Plan allows, you may instead request an in-kind rollover of your PCRA securities to another retirement plan or IRA rollover account.

A beneficiary is not authorized to trade and therefore cannot access the PCRA. Beneficiaries should contact the Plan's toll-free number for assistance.

Who sends me statements?

Empower Retirement sends quarterly statements. Schwab sends you a monthly statement.

Note: The account balance on your Empower Retirement and Schwab statements may be slightly different due to different period-ending dates (for example, one may be as of the last day of the quarter while the other may be as of the last business day).

Please consider the investment objectives, risks, fees and expenses carefully before investing. For this and other important information prospectuses for all PCRA funds can be obtained on the Web site at www.schwab.com or by calling (888) 393-7272. Read them carefully before investing. An investment in the cash sweep feature.Fund is not insured or guaranteed by the Federal Deposit Insurance Corporation or any other government agency. Although the fund seeks to preserve the value of your investment at \$1.00 per share, it is possible to lose money by investing in the Fund.

Securities available through Schwab Personal Choice Retirement Account[®] (PCRA) are offered through Charles Schwab & Co., Inc. (Member SIPC), a registered broker-dealer. Additional information can be obtained by calling . Charles Schwab & Co., Inc. and GWFS Equities, Inc. are separate and unaffiliated.

1 Access to your Plan's Web site may be limited or unavailable during periods of peak demand, market volatility, systems upgrades/maintenance or other reasons. Transfer requests made via the Web site received on business days prior to close of the New York Stock Exchange (4:00 p.m. Eastern Time or earlier on some holidays

or other special circumstances) will be initiated at the close of business the same day the request was received. The actual effective date of your transaction may vary depending on the investment option selected.
