

INVESTMENT INTERNSHIP

As an investment intern with the Pennsylvania State Employees' Retirement System (SERS), you have an opportunity to earn money while earning college credits and gaining real-world experience working with a \$30 billion institutional investor.

You will work with SERS' investment team, external consultants, and worldwide investment management firms. You will gain experience and knowledge by interacting with professionals in the finance industry.

SERS offers a flexible work schedule to coordinate with your course schedule. You'll work in downtown Harrisburg. Parking may be provided.

Likely Assignments:

- Assessing the fund's cash position on a monthly basis
- Preparing snapshots of the fund's assets in each asset class
- Assisting with the investment manager search process
- Analyzing cash flow and assisting in preparing cash forecasts
- Monitoring investment manager performance
- Assisting with developing capital market commentary
- Preparing materials for the state legislature
- Participating in staff meetings and attending SERS board meetings

Requirements:

- Enrolled at an accredited college or university
- Able to earn college credit for the internship
- Working toward a bachelor's or master's degree in business administration, economics, finance, international business, investment management, or related field
- Carrying an overall GPA of 3.00 or higher
- Available to work between the hours of 8:00 am and 5:00 pm
